

Porter Case *Traveler Solutions*

The Stackable Stowaway 20-20 & 20-20-WLF

The Stowaway 20-20 is designed to meet the recommended ATA-300 specifications for airline shipping cases. Its construction is of Polyethylene plastic with aluminum valance, industrial heavy duty twist latches, 3 spring loaded loop handles, and lid stays with optional pluck foam on the inside.

Up to 3 **Stowaway 20-20** cases will nest on top of a Porter Case PC II or Elite model when converted to the cart position to form a complete "travel system" for the professional frequent traveler.
